

Glorious Gardens Highlands Mansion & Meadowbrook Farm One Day Tour ~ Friday, July 31, 2026

It's a lovely summer day to step out in the sunshine and immerse in nature's flowery garden vistas. Our visit at The Highlands Mansion & Gardens will blend historic charm with natural beauty as we explore the late 18th century Gregorian mansion and its 2-acre formal garden. A guided tour will reveal the stories of the three intriguing families who called Highlands Mansion their home and how the mansion has evolved with each generation. After, stroll the delightful gardens surrounded by massive stone walls and see what blooms await to surprise you. An included lunch will be next right here at the mansion, so sit back and enjoy. Another glorious garden awaits! Stroll your way into the tranquility of Meadowbrook Farm where a brilliant tapestry of greenery, colorful flowers, and calming waters wait to greet you. Notice unique plants from around the world with eclectic textures as they dance before your eyes in the soft breeze. Step into the stone wall garden adorned with whimsical statuesque trees where you can relax and unwind as you hear distant birdsong and perhaps even frogs. This is a place of silence and solitude, so enjoy every moment. © 2025 The Educated Wanderer
