Wonderspaces ~ Woodmere

One Day Tour ~ Saturday, March 5, 2022

The Fashion District of Philadelphia comes alive with 14 extraordinary artworks by various international artists at Wonderspaces. Join us for this immersive and intriguing experiential art installation and exhibits that are fascinating examples of how science and human creativity merge in beautiful ways. We will be wowed at every turn in this experience that will capture you in ways that are unique to you. Right around the corner is one of America's oldest public markets, Reading Terminal Market, in use since 1893. Meander through this vast food bazaar and browse everything from handmade imported crafts and American quilts to fresh produce, dairy products, exotic meats and seafood, freshly cut flowers, cookbooks, and expertly prepared food of any kind you can imagine. There will be time to explore, shop and find lunch on your own, either at the market or in the nearby Fashion District. Next, we will visit Philadelphia's Garden District, Chestnut Hill. Picture leafy streets lined with stately historic mansions and Victorian townhouses in a neighborhood with antique shops, art galleries, tearooms and farmers markets. This is where our next exploration of art will begin, in an elegant, 19th century stone mansion that houses the Woodmere Art Museum. Woodmere is dedicated to the art and artists of Philadelphia and brings art and nature together with its 8000 works of art, exhibits and outdoor sculptures. This small, artistic treasure awaits! © 2020 Group Tours & Travel
